Respondents.)	

On May 28, 2020, the Court issued an order requiring Respondents to file a report detailing how Respondents are addressing the need to segregate inmates who have tested positive from inmates who have tested negative and inmates not yet tested. As explained in the declaration of Health Services Administrator Sarah Dees, inmates who test positive for COVID-19 are placed in isolation areas to separate them from other inmates, including inmates who have tested negative and inmates not yet tested. (ECF No. 10-1 at ¶¶ 24, 34, 51.) Currently, Elkton has designated the FCI Visiting Room, FCI Chapel, FCI Gym, and FSL G-A Housing Unit as isolation areas. As tests are returned, additional housing units will be used if additional isolation areas are needed.
